# **WELCOME TO GOOD GAME FEST!**

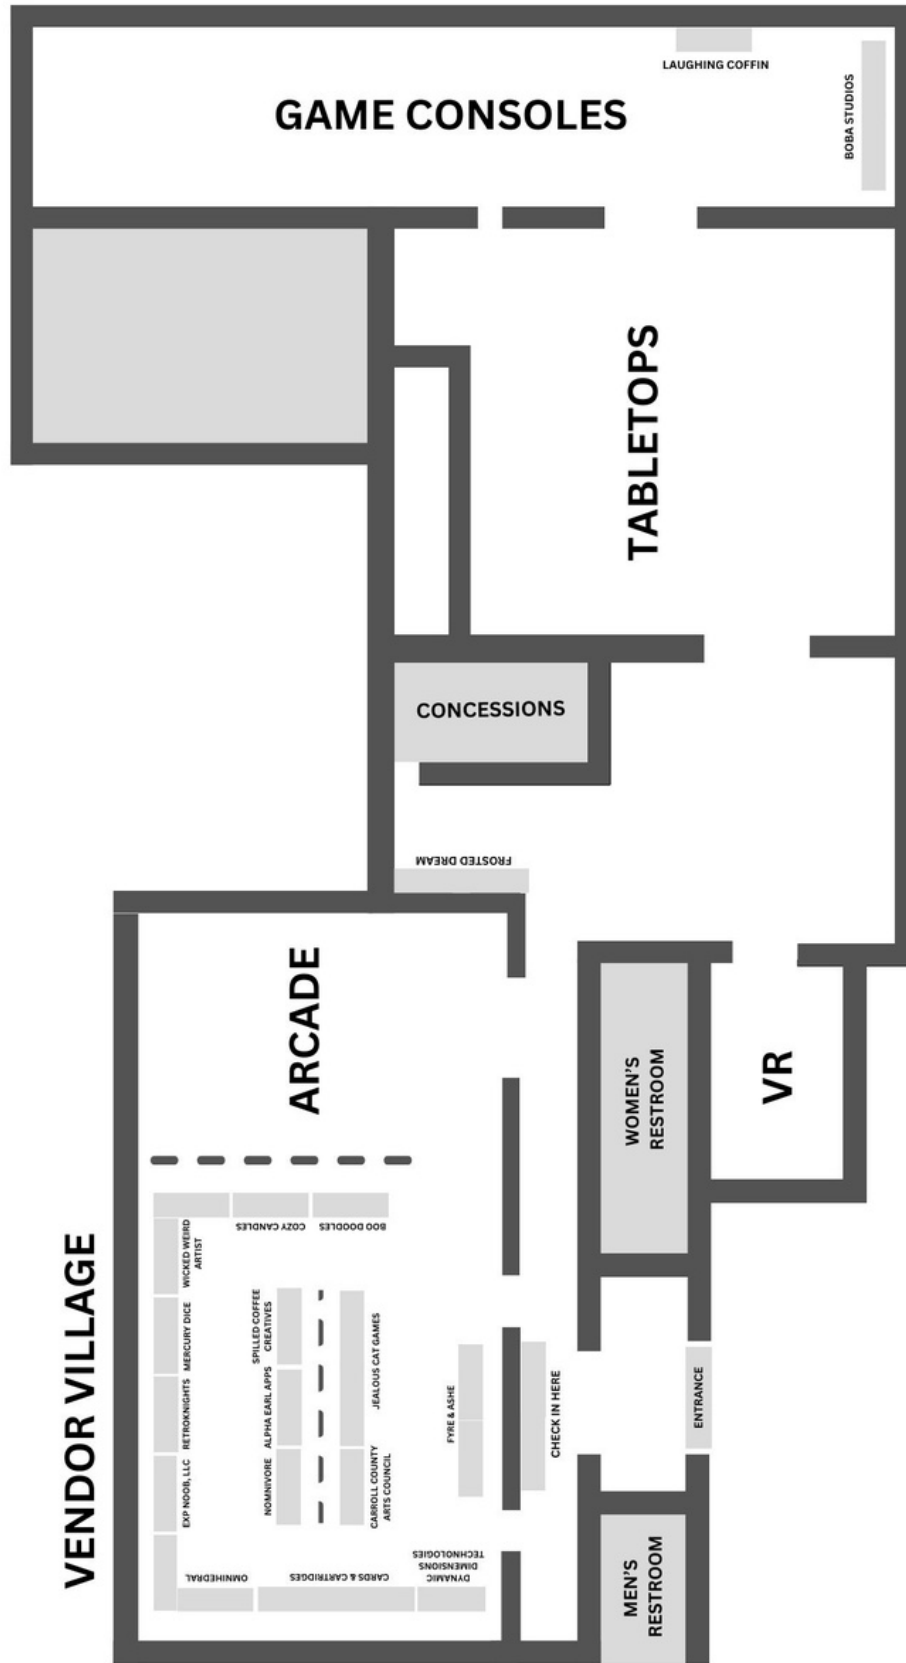

We're so excited to have you for our third annual Good Game Festival! In 2023, we have even more games, vendors, tournaments, and events for you and your family to enjoy all weekend long.

The "Good Game" mission is all about positive attitude and habits as they relate to gaming. How can we support and encourage each other? How can we elevate and poise ourselves for success, both in game and IRL?

The organizers of Good Game want to create a family-friendly gaming festival that promotes healthy gaming attitudes, sportsmanship, and education. Online, video, and tabletop gaming can be a great way to connect and engage with others who have the same interests!

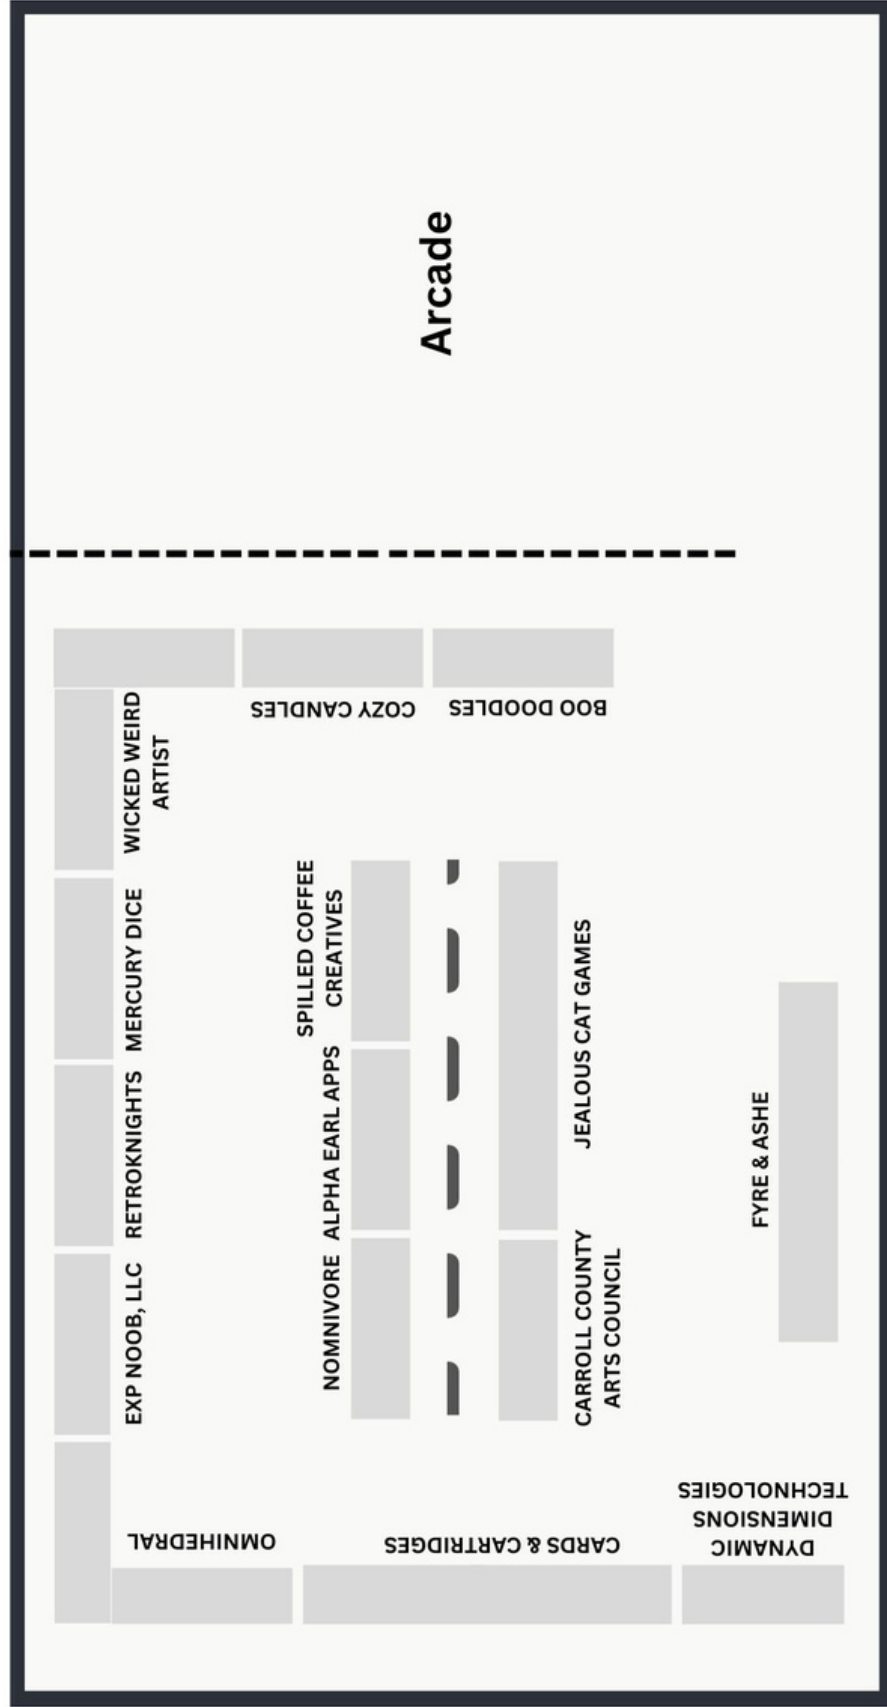

From competitive to casual, PC to console, RPG to FPS, we're all here to enjoy the games of the past and present while building friendships and memories for the future!

# THINGS TO DO AT GOOD GAME FEST...

## Tabletop Gaming

Love everything and anything tabletop? Good Game Fest features a variety of tabletop games that you can demo throughout the weekend. In addition to the \$1,250 Pokémon TCG tournament, this year we added a Pokémon Deck Building Workshop and Pokémon Go! Battle League Tournament.

Tabletop games provided by:  
1985 Games  
Battlefront Miniatures USA  
City Park Gaming and Brew  
Leder Games  
Looney Labs  
Themeborne

Tournament prizes sponsored by  
MAGIC and Laughing Coffin.

## Retro Arcade

Save Point is loading Good Game Fest with retro arcade machines, and they're pulling out all the stops! Their games are free to play, with donations encouraged. Revisit classic games like Donkey Kong or try your hand (or feet) at some of the music and rhythm games!

## Console & PC Gaming

Stop by the console area to participate in our **Super Smash Bros. Ultimate**, **Mario Kart 8 Deluxe**, and **Fortnite tournaments** throughout the weekend. Free play console gaming is available whenever there is not a tournament scheduled!

Don't forget to check out Boba Studios, an indie game developer here to showcase their puzzle adventure game Squirrely Roo Rabbit!

## Vendor Village

We have vendors from all over the East Coast, including several local merchants, here to share their unique products!

## VR Experience

Interested in VR? Good Game Fest features a separate VR Experience spot for anyone interested in exploring the virtual world, with several options for you to try.
